

Product Safety Recall

ASPECT SUN SPF50+ PHYSICAL SUN PROTECTION PRODUCTS

Product Code	Product Name	Affected Batches	Expiry Date
SN-075-054	Aspect Sun Physical Sun Protection SPF50+	A2450, A2190, A1958, A1492	All current
SN-075-057	Aspect Sun Tinted Physical SPF50+	A2451, A2191, A1976, A1629	All current

Defect: Preliminary results received from an independent laboratory show that the SPF level in these two products is unlikely to meet the labelled SPF rating.

Hazard: A low SPF rating may increase the risk of sunburn during use and reduce the long-term effectiveness of preventing skin cancer.

What to do: Our clinics and retail partners are advised to cease the sale of the impacted products. We recommend that consumers cease using the product. Customers may return their product, along with proof of purchase, to the place of purchase to request a refund or online via the link below.

Contact details: Customers can find more information, including how to get a refund from the website listed below.
